SCHOLARSHIP AWARDS**

S. Frank "Bud" Raftery

IUPAT Member

1935—1986

General President

March 1965—June 1984

At the 25th General Convention held in Washington, D.C. in August 1984 a resolution was passed, creating the S. Frank "Bud" Raftery Scholarship Fund, to honor his service to the International Union all of his adult life, his accomplishments, and his progressive thinking.

At the 27th General Convention held in Washington, D.C. in August 1994, General President A.L. "Mike" Monroe and the General Executive Board passed a resolution to increase the S. Frank "Bud" Raftery Scholarship Fund to \$20,000, allowing for ten (10) scholarships of \$2,000 annually. This was done because of their strong beliefs in the principles for which the Scholarship Fund was created, and the need to continue and enhance the Convention theme of Organizing, Education, and Training, which was designed to bring all of our membership and their families into the strategic planning and operation of our International Union through educational programs.

Sons, daughters, or legal dependents of IUPAT members in good standing, are eligible to apply for scholarships within this fine program.

All applicants must submit by email, an essay in PDF format, no less than 1,000 words and no more than 2,000 words, on an essay topic selected by the IUPAT Scholarship Committee.

The selected topic for 2024 is as follows:

2024 Presidential Election: Protecting Our Democracy & Communities.

Many Americans are fearful of a looming recession, continued inflation, federal policy response and the state of our job markets. To add to these fears is political polarization and how it will impact the future of the U.S. during the November 2024 Presidential Election. Our democracy is clearly at stake and Americans are preparing to brace themselves for what will inevitably be an historical Presidential Election this coming November. Labor unions, civil groups and our local governments will need to unite to defend our democratic rights - not only during this pivotal election but into the future.

Understanding the charge of unions, explain how unions protect our democracy and impact our communities.
